

Husqvarna DS 150

As a part of the Husqvarna drill stand family, the DS 150 is a versatile and lightweight drill stand. It has a combined base plate for vacuum or anchoring. The collar on the carriage fits with Husqvarna's smaller drill motors. The stand has a practical handle with a soft grip, which makes it easy and comfortable to transport.

Features Husqvarna DS 150

- Being light and compact, the stand is easy to transport and install.
- Fast setup with the integrated vacuum base, with no need for anchoring or clamping.
- Equipped with guide rollers for stable and accurate drilling as well as cleaner and straighter holes.
- The back support is clamped to the column with a patented rigid solution, for stable drilling.
- All adjusting screws on base plate, carriage and back support can be adjusted with the supplied feeding handle.
- The stand has a jacking screw on the top for easy clamping of the stand.
- The baseplate can also be used as a vacuum plate.
