

## GRIT GI 150 2H

### Basic belt grinder, 150 mm switchable

High-performance belt grinder, modular expandable, for industrial and series applications, ideal for machining stainless steel

Product number: 7 902 05 00 40 3

## Details

- > Expandable because of additional modules
- > Quite robust AC motor provides grinding with steady speed.
- > Speeds optimal for metal and stainless steel working at 1500/3000 rpm;
- Detachable swarf collector
- > Connection for extraction option available
- > Drive disk with polyurethane coating
- > Work level is individually adjustable
- > Patented belt-tensioning system
- > Low vibrations

## Price includes

- ✓ 1 CEE plug (16 A)
- ✓ 1 grinding belt 150 x 2,000 mm (K 36 R)

## Technical data

### TECHNICAL DATA

|                  |                      |
|------------------|----------------------|
| Input            | 2.6 - 3.1 kW         |
| Current/Voltages | 3 x 400/440V 50/60Hz |
| Speed, no load   | 1,500 / 3,000 rpm    |
| Belt size        | 150 x 2,000 mm       |
| Weight           | 82 kg                |
