

FORCE3® Speedster™ Diamond Chain

with Trident™ Segment Technology

Engineered for contractors who demand speed and productivity, the FORCE3® Speedster™ Diamond Chain delivers up to 30% faster cutting performance compared to the FORCE3® Standard. Built on the proven FORCE3® chassis, this innovative chain features patent-pending Trident™ Segment Technology and Low Effort Segment innovation with Titanium-coated diamonds for unmatched operator efficiency. The result? Best-in-class speed, less operator fatigue, and maximized profitability—without sacrificing chain life.

KEY FEATURES

Up to 30% Faster Cutting

Trident™ Segment Technology with Titanium-coated diamonds delivers consistent high-speed performance across the entire life of the chain—no sacrifice in chain life for low rebar applications.

Built on Proven FORCE3® Chassis

Compatible with existing FORCE3® guidebars and drive sprockets for a seamless upgrade path and optimized power transfer on low HP gas and electric saws.

Low Effort Segment Innovation

New patent-pending segment design reduces operator cutting effort, enabling smoother operation and faster cutting—especially in reinforced concrete.

Smooth Cutting Performance

Coated graphite particles and unique segment geometry improve smoothness of cut—users report it “feels like cutting twice as fast through rebar”.

WHY SPEEDSTER™?

Speedster™ with Trident™ Segment Technology is a utility patent-pending cutting system that redefines performance. Titanium-coated diamonds enhance durability and cutting efficiency, while graphite-enhanced segments reduce effort and polish. Together, these innovations deliver 30% faster performance, improved user experience, and out-of-box cutting speed that sets a new standard.

FORCE3® Speedster™

Diamond Chain with Trident™ Segment Technology

FORCE4® Speed King Diamond Chain	
P/N	Description
653246	FORCE3® Speedster™ Chain 10 in/25 cm, 25 segments
653247	FORCE3® Speedster™ Chain 12 in/30 cm, 29 segments
653248	FORCE3® Speedster™ Chain 14 in/35 cm, 32 segments
653259	FORCE3® Speedster™ Chain 16 in/40 cm, 35 segments

680GC Consumables	
P/N	Diamond Chain Description
653246	FORCE3® Speedster™ Chain 10 in/25 cm, 25 segments
653247	FORCE3® Speedster™ Chain 12 in/30 cm, 29 segments
653248	FORCE3® Speedster™ Chain 14 in/35 cm, 32 segments
P/N	Guidebar Description
632193	680GC FORCE3® Guidebar 10 in/25 cm
632194	680GC FORCE3® Guidebar 12 in/30 cm
635697	680GC FORCE3® Guidebar 14 in/35 cm
P/N	Parts Description
70949	Drive Sprocket - fits 633, 680, and 695 Gas Saws - GC Series
695GC Consumables	
P/N	Diamond Chain Description
653247	FORCE3® Speedster™ Chain 12 in/30 cm, 29 segments
653248	FORCE3® Speedster™ Chain 14 in/35 cm, 32 segments
653259	FORCE3® Speedster™ Chain 16 in/40 cm, 35 segments
P/N	Guidebar Description
635705	695GC FORCE3® Guidebar 12 in/30 cm
632195	695GC FORCE3® Guidebar 14 in/35 cm
632196	695GC FORCE3® Guidebar 16 in/40 cm
P/N	Parts Description
70949	Drive Sprocket - fits 633, 680, and 695 Gas Saws - GC Series
