POWER CUTTER K 4000 CnB 110 V | UK

Our Cut-n-Break method is the natural choice when you need to cut deep but want a machine with low tool and maintenance costs. The K 4000 Cut-n-Break enables you to cut as deep as 400 mm from one side. Suitable for flush cutting close to walls and floors as well as for smaller jobs like window openings where you want to avoid overcutting at the corners.
